

**CONGRESSMAN BLACK'S 2016  
OFFICIAL SURVEY**

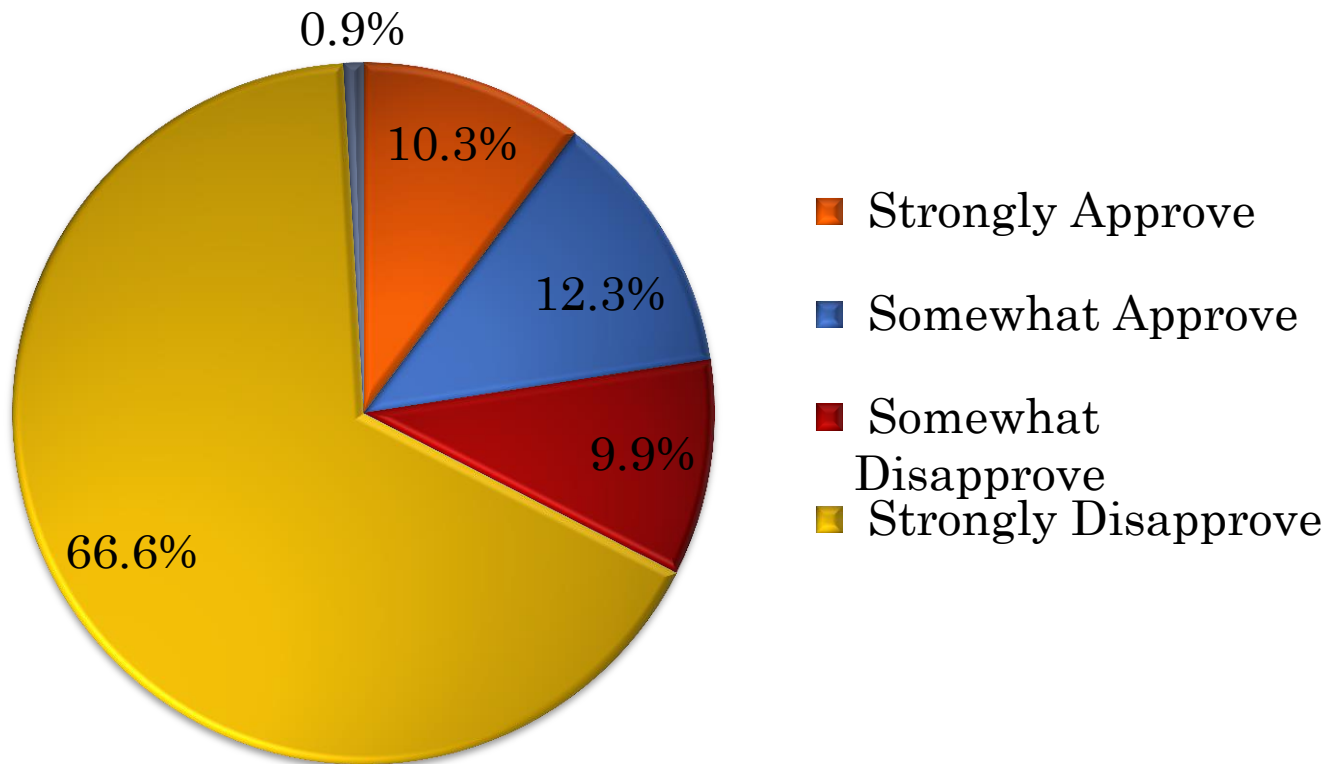

**RESULTS**

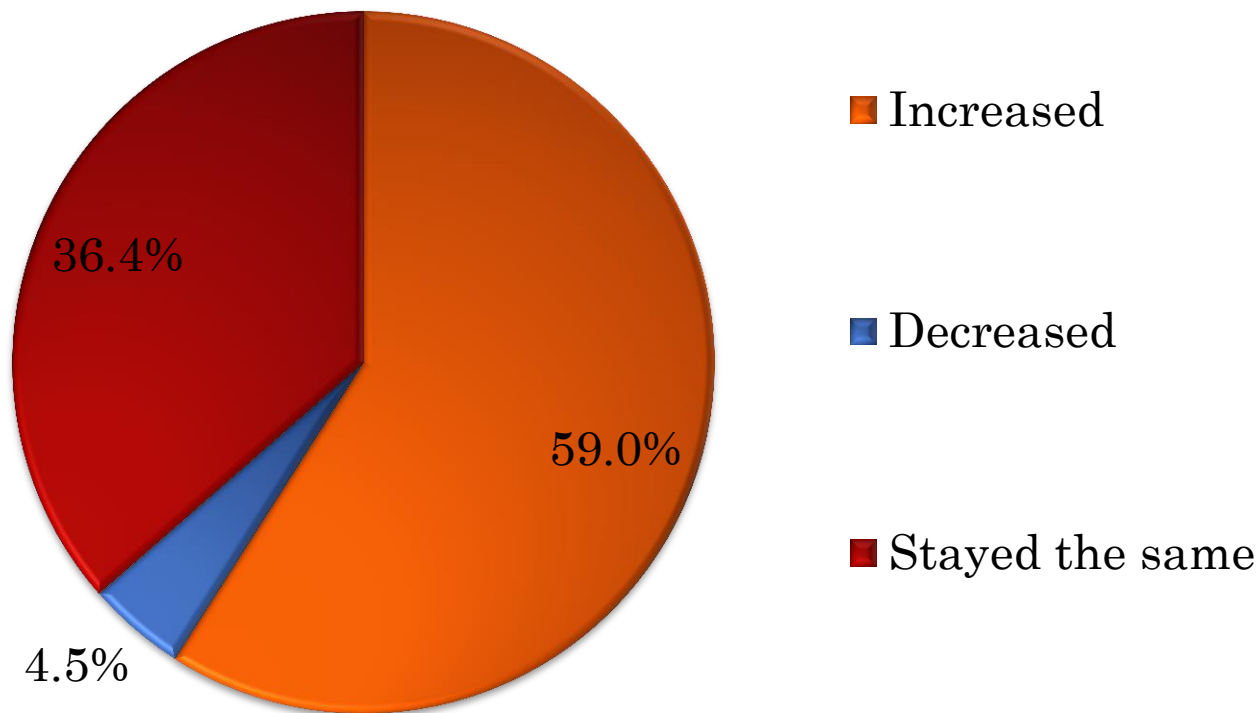

Generally speaking, would you say things nationally are headed in the right direction, or are things on the wrong track?

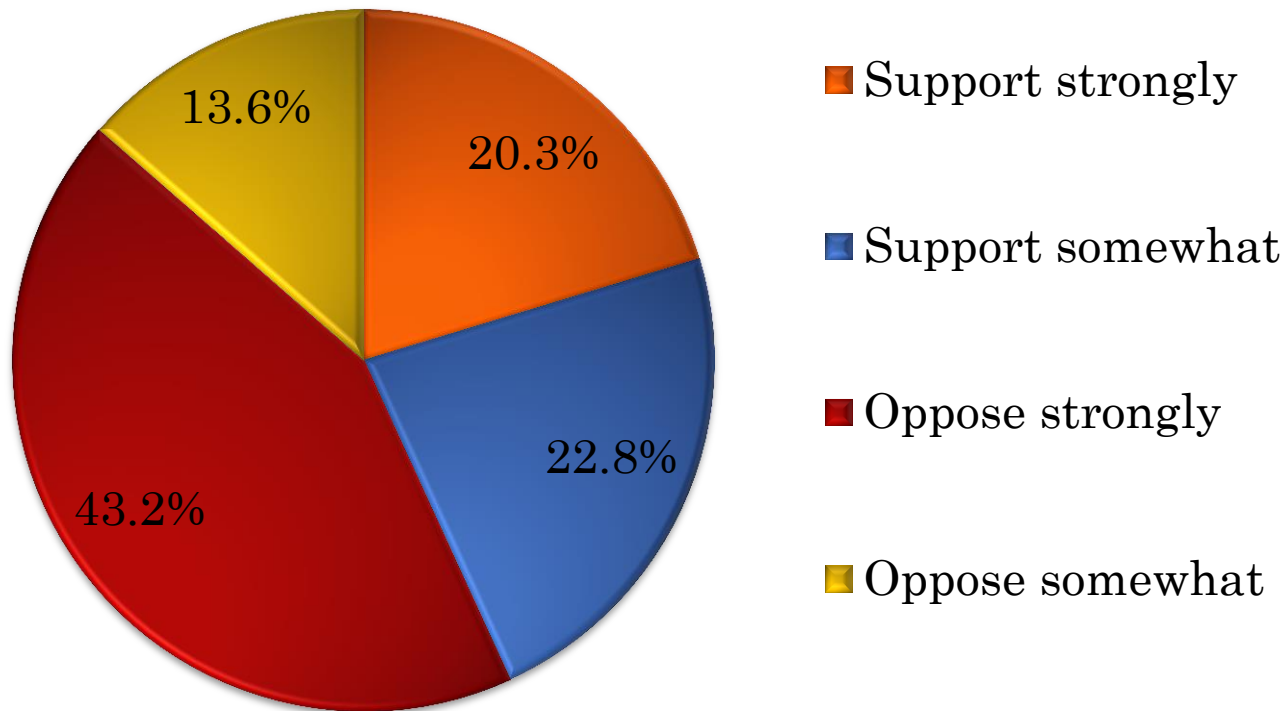

In general, do you approve or disapprove of the job Barack Obama is doing as President?

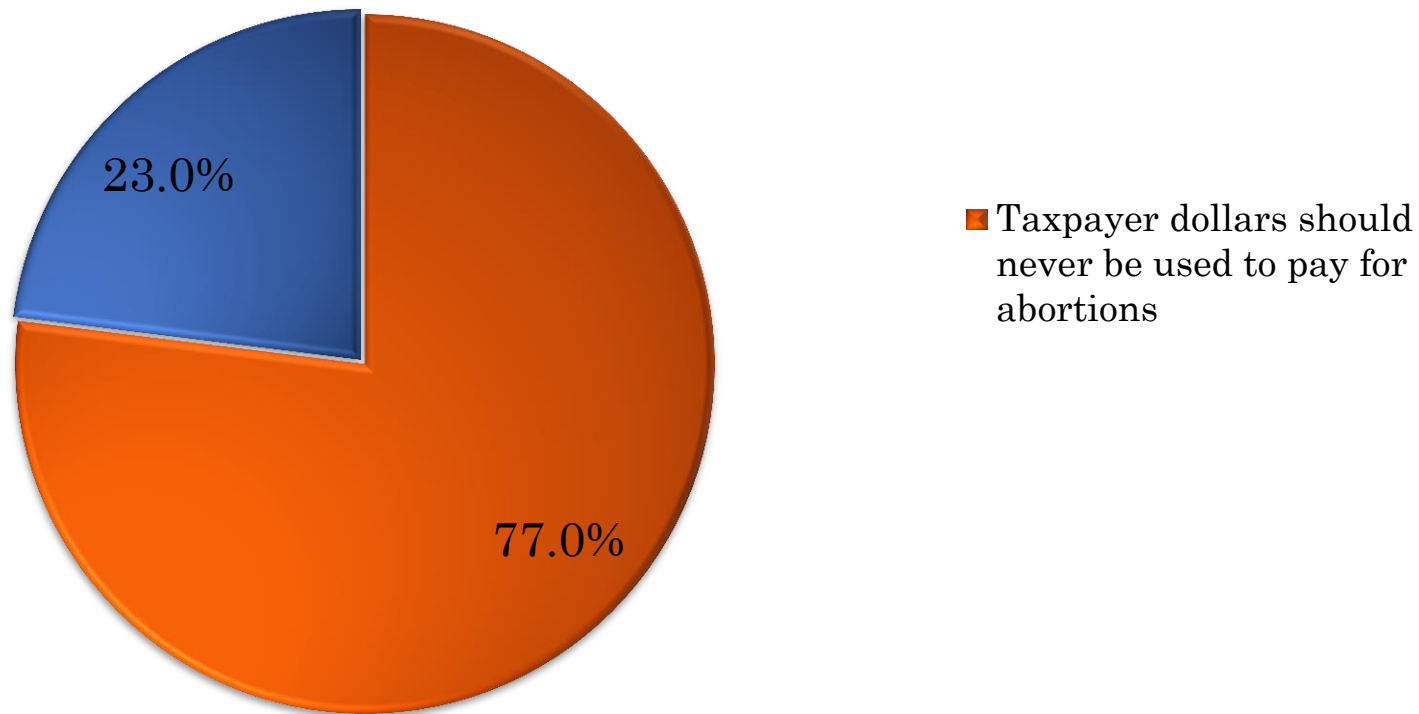

Under Obamacare, how has the cost of your insurance been impacted?

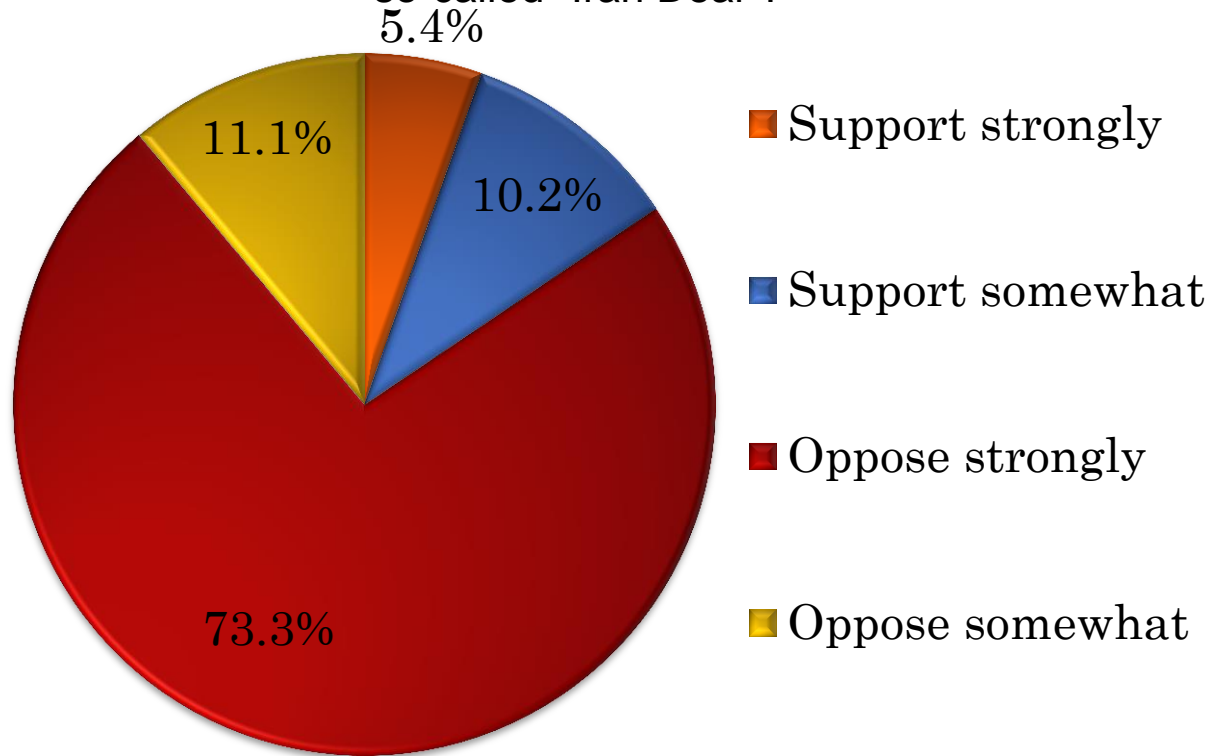

In January of this year, President Obama outlined new unilateral action on gun control including expanded licensing requirements of gun sellers, expanded background checks for gun sales, and the hire of several hundred new federal workers to enforce our nation's gun control laws. In general, do you support or oppose these measures?

As the author of the Defund Planned Parenthood Act of 2015, Congressman Black is leading efforts to withhold federal funding from the nation's largest abortion provider. Of the following statements, which one more closely reflects your opinion:

Last year, the White House announced a diplomatic agreement with Iran that critics claim could allow the nation to more easily build nuclear weapons. In general, do you support or oppose the so-called "Iran Deal"?

Last year the Every Student Succeeds Act was signed into law with Congressman Black's support. The bill replaces the No Child Left Behind Act law and prohibits the Secretary of Education from forcing states into participation in Common Core standards. Based on what you know, do you support or oppose this bill?
